Hi Bob,

Once we receive the TO award I will contact Kristen Hanson (LDF Environmental Response Program Coordinator) to see what date(s) she recommends for the sampling.

I hope you enjoy your time away.

Hi Julie,

After today, I will be out of the office until June 8. I haven't heard back from LDF on when they would like to target the private well sampling, based on when they thought the seasonal homes would be open. I don't have a preference for dates, so if you happen to have contact with the tribe, please choose a date that works best for them and REI. I know that we still need to get some documents in-place before all this occurs, but I don't want to delay scheduling activities while I am away.

If you need to contact me while I am away, please call my cell phone 708 296-0102.

Thanks,

Bob
